## Shunya Yamashita Beautiful Noise

[Download](#)

i think it would work.imagine the mix between dark & brutal design of mk and colorful& joyful yamashitas/kotobukiyas artstyle.maybe little crazy, but still interesting idea :)mileena from kotobukiyayeah, that will be wonderful!:di dont know, what would boon thought about this, but keeping in mind the popularity of the game,it seems to me a good marketing ploy ;) this is the awesome version of autumn blaze. she is a beautiful model for a sexy figure which i think is the best thing i can say about this book.the figures are usually better sculpted than the average yoi's though i think this is the first time that i like the imperfections of a figure more than the perfect doll face. so this isn't really a bad thing for me. the imperfections are also essential for the character.you can clearly see her broken face which makes her more real.all the images were captured with the same light to avoid harsh shadows - for me this is quite impressive as the quality of the image is

---

mostly great.the color palette is very well spread out as the images consist of mostly darks and lights and the models clothes seem to have been painted with acrylics rather than using standard colors.this makes the colors seem a bit more realistic and makes her clothes and even her skin look more realistic.the image quality is also really good though the angles of the figures are a bit odd sometimes.it seems that shunya yamashita uses different filters for the images in this book which makes the images a bit more vibrant and gives them a bit more color than the more neutral colors of the regular autumn blaze. overall, i enjoy the look of the figures and i think they were very well photographed.flickr

## Shunya Yamashita Beautiful Noise

i just wanted to say hi, i just discovered your blog and i love it! i am a huge fan of shunya yamashita's art, and i am going to order this book. i would suggest you put it in the body of the blog. it is a little different because there is a black background, and i don't want to stand out from all the other art. i can't wait to see it! i am a huge fan of shunya yamashita's art, and i am going to order this book. i would suggest you put it in the body of the blog. it is a little different because there is a black background, and i don't want to stand out from all the other art. i can't wait to see it! i just wanted to say hi, i just discovered your blog and i love it! i am a huge fan of shunya yamashita's art, and i am going to order this book. i would suggest you put it in the body of the blog. it is a little different because there is a black background, and i don't want to stand out from all the other art. shunya yamashita beautiful noise art book is a beautiful book of shunya yamashita's art work. the art in this book is fantastic and the quality of the book is really nice. i highly recommend this artbook. 9781785390719 shunya yamashita beautiful noise japanese edition the best of japanese art book of the year beautiful noise by shunya yamashita. beautiful noise by shunya yamashita
